IngenuitE is a woman and minority-owned firm founded in 2002 which provides consulting solutions for Oracle E-Business Suite as well as computer maintenance and accounting services. IngenuitE has the experience and expertise to provide technical solutions as well as training and instruction in Information Technology. IngenuitE is SBA certified as a Small Disadvantaged Business. IngenuitE has been awarded a GSA Schedule 70 contract and an eFAST MOA.

IngenuitE is currently the prime contractor on the FAA Advanced Qualification Program in Washington, D.C. IngenuitE has supported the Department of Transportation at FAA (Mike Monroney Aeronautical Center) since the company's inception in 2002. IngenuitE's FAA support currently continues as a subcontractor on the Information Technology Support Services contract. IngenuitE is also a subcontractor on the E-3 Mission Crew Simulator Maintenance Services contract at Tinker Air Force Base in Oklahoma City

IngenuitE excels in recruiting and maintaining the most qualified personnel by providing competitive salaries and a cafeteria benefits package that includes 401(k), health insurance, disability insurance, group life insurance, medical saving accounts and dependent savings accounts.
